Cornell College Bulletin

A Register of the Alumni

By States, Cities and Towns

MARCH, 1916
MOUNT VERNON, IOWA

Published monthly by the College and entered at the Post Office at Mount
Vernon, Iowa, as second class mail matter.

THE ALUMNI
OF
CORNELL COLLEGE

A REGISTER ARRANGED ALPHABETICALLY
BY STATES, CITIES AND TOWNS, AND BY
FOREIGN COUNTRIES AND CITIES

MARCH, 1916
MOUNT VERNON, IOWA

PREFACE

In the following Alumni Directory the lists are alphabetical by states and cities first, and then by foreign countries and cities. Graduates in the regular college courses have the year of graduation immediately following the name. Graduates from the associated schools have the year numeral after the name of the school.

At the time of issuing this register it was convenient to indicate only the lawyers, clergymen, and physicians. It was necessary to use abbreviations and other indicia of which the following need explanation: Ora., School of Oratory; Mus., Conservatory of Music; T., Temporary Address, as in the case of school teachers or students, the name being repeated under the name of the home town with the word "Home" after it; (?) means "the last known address."

Information to make this list as correct as possible will be gladly received at the college office.

Mount Vernon, Iowa, March, 1916.
